ABOUT

Brand overview

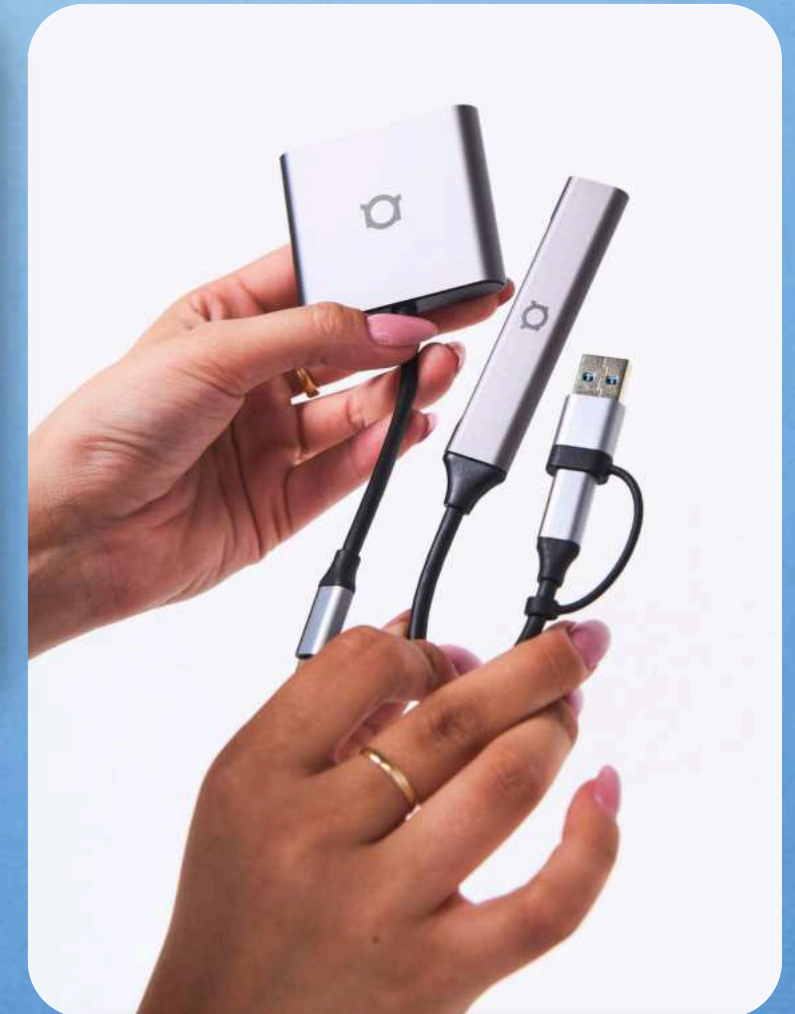

Adda Collins is a modern lifestyle brand in mobile and consumer electronics, uniting functionality, contemporary design and reliability.

Built for everyday use, it offers a broad accessory range that keeps pace with modern life, combining trends, practicality and value through a strong distribution network.

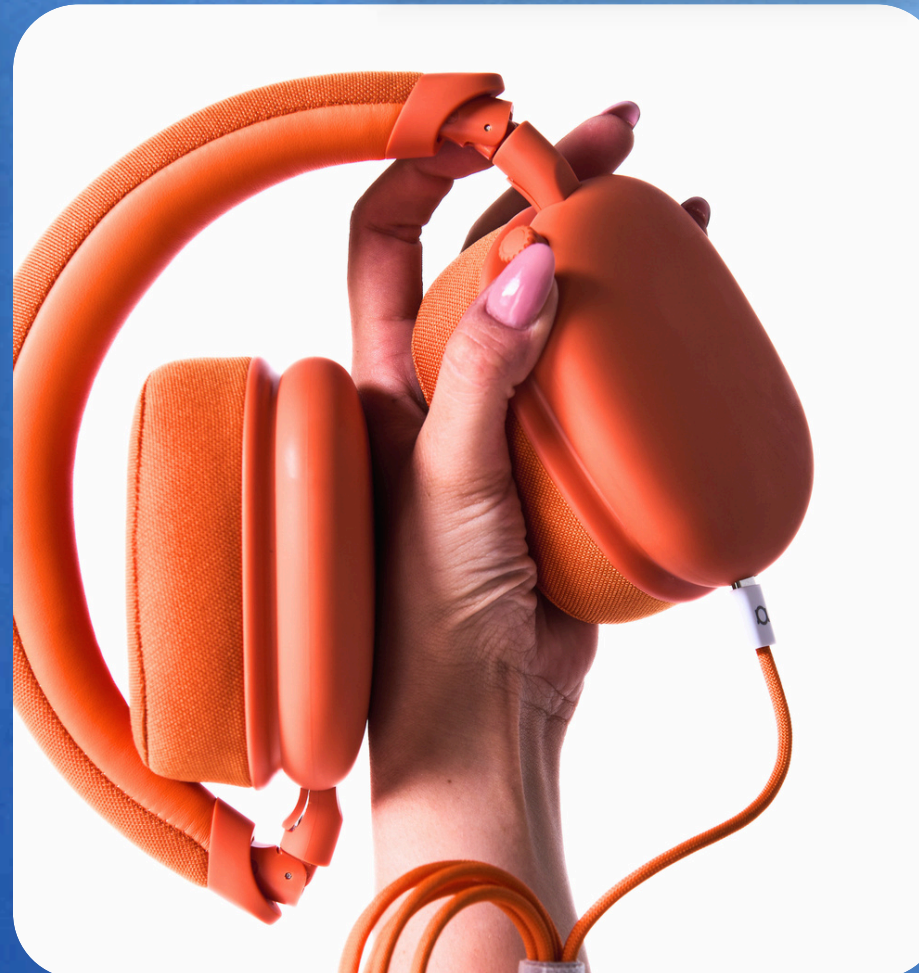

VALUE FOR MONEY

Mid price range
Specs on par with premium brands
A clear strategy lets customers upgrade within the same brand and raises average basket value.

BROAD AND COMPLETE RANGE

- **Audio** – earphones, wireless earbuds, headphones and speakers
- **Charging** – chargers, cables, travel adapters
- **Smart & Lifestyle** – smart trackers, hubs, desk stands and smart glasses
- **Car** – car chargers and phone mounts
- **Accessories** - cases + glass

BRAND & DESIGN EXPERTISE

- European tech brand headquartered in Croatia – **market proximity and fast insight into local needs.**
- **Consistent visual identity**
- **User-centric, “plug & play”** products
- **Premium packaging** and a clear unboxing experience.

BRAND PROMISE

- Technology that is **simple, reliable and fun**.
- Adda Collins delivers **modern, quality mobile accessories** that fit effortlessly into everyday life.
- Our products combine **practicality, style, reliable performance** - for users who want technology that simply works.

BRAND POSITIONING

- Adda Collins is **an approachable, friendly tech brand**
- We build user-centric, "plug & play" products that **solve everyday needs without complication**.
- It unites **high quality, thoughtful design and energetic personality**

5-YEAR WARRANTY

We believe in our product quality, so Adda Collins **has offered an extended warranty on a selected range since 2025** – proof of durability, reliability and confidence in our own development.

DISTRIBUTION STRENGTH

- Present across leading retail chains and online, with proven results in the market.
- We give partners branded planograms and POS materials for fast, simple implementation at the point of sale.

PARTNER-FRIENDLY APPROACH

- Flexible MOQs and short lead times enable fast response to demand.
- Support in co-branding, bundles and seasonal activations, with a local team and fast B2B contact.

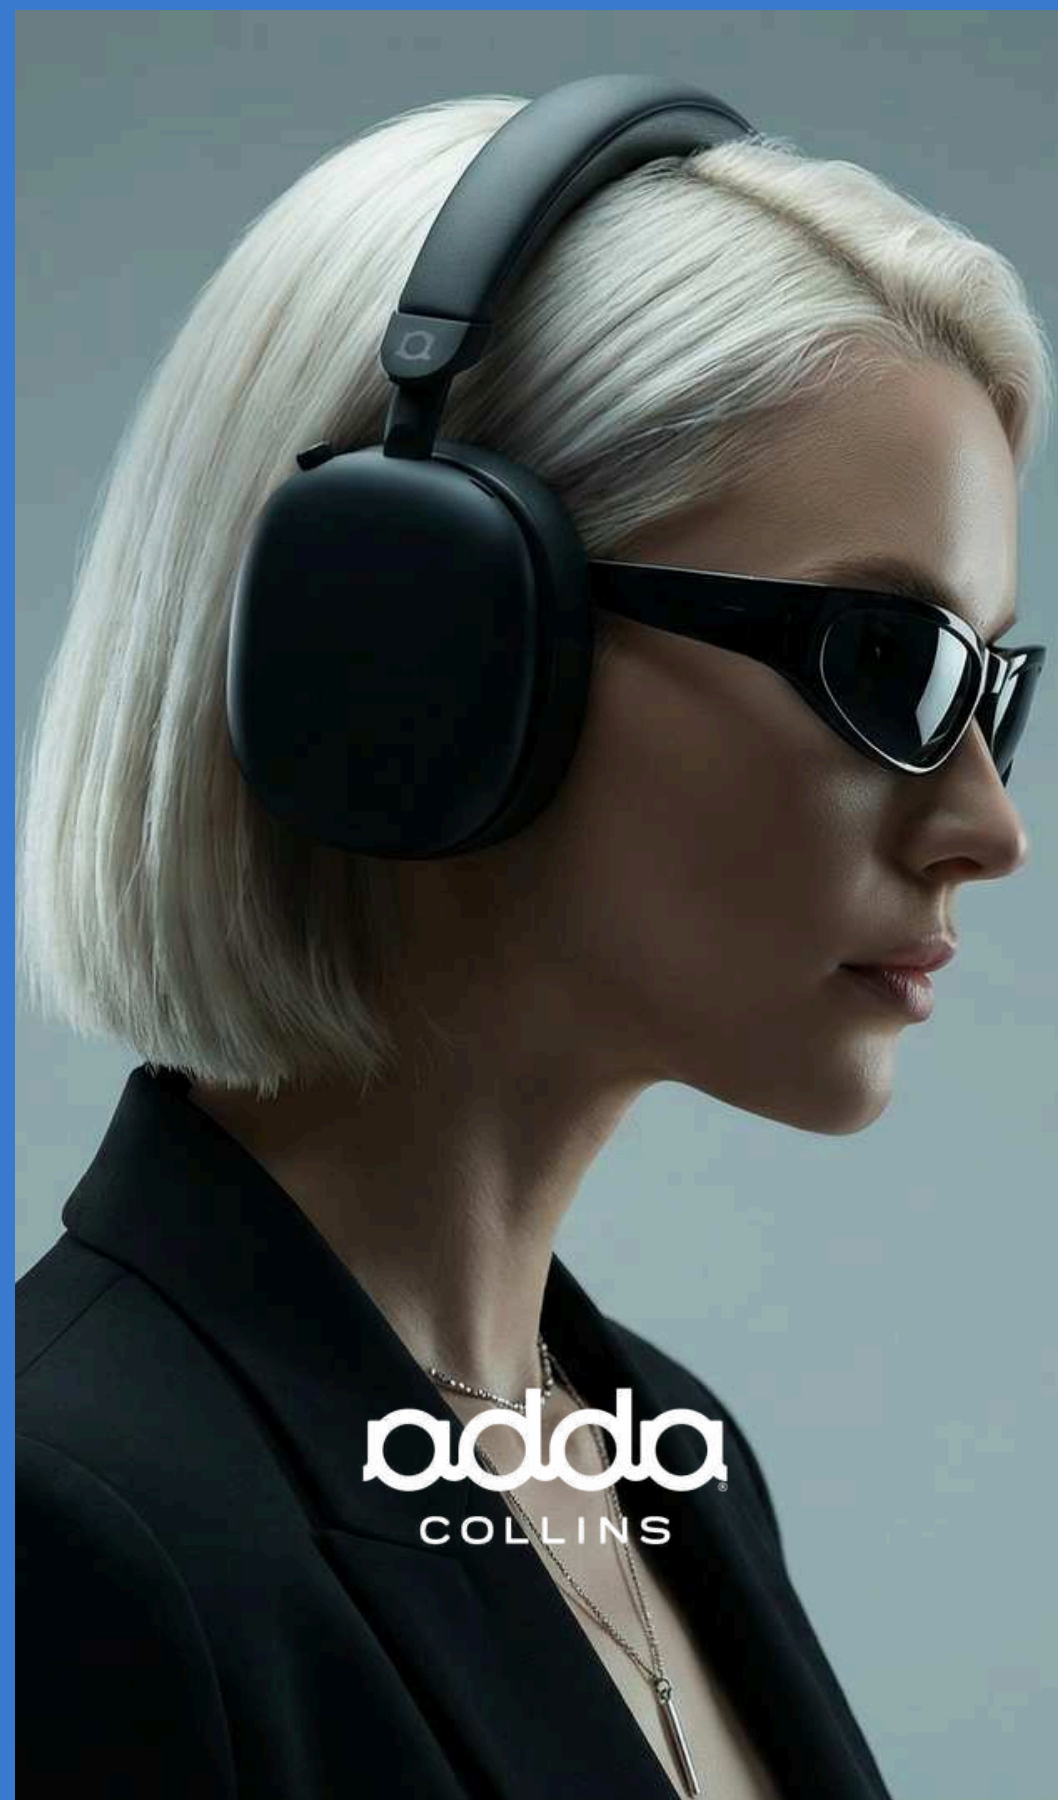

QUALITY AND RELIABILITY

- All products undergo strict QA testing (battery, charging, durability).
- Full CE / RoHS / REACH compliance and local warranty support – security for partner and end customer.

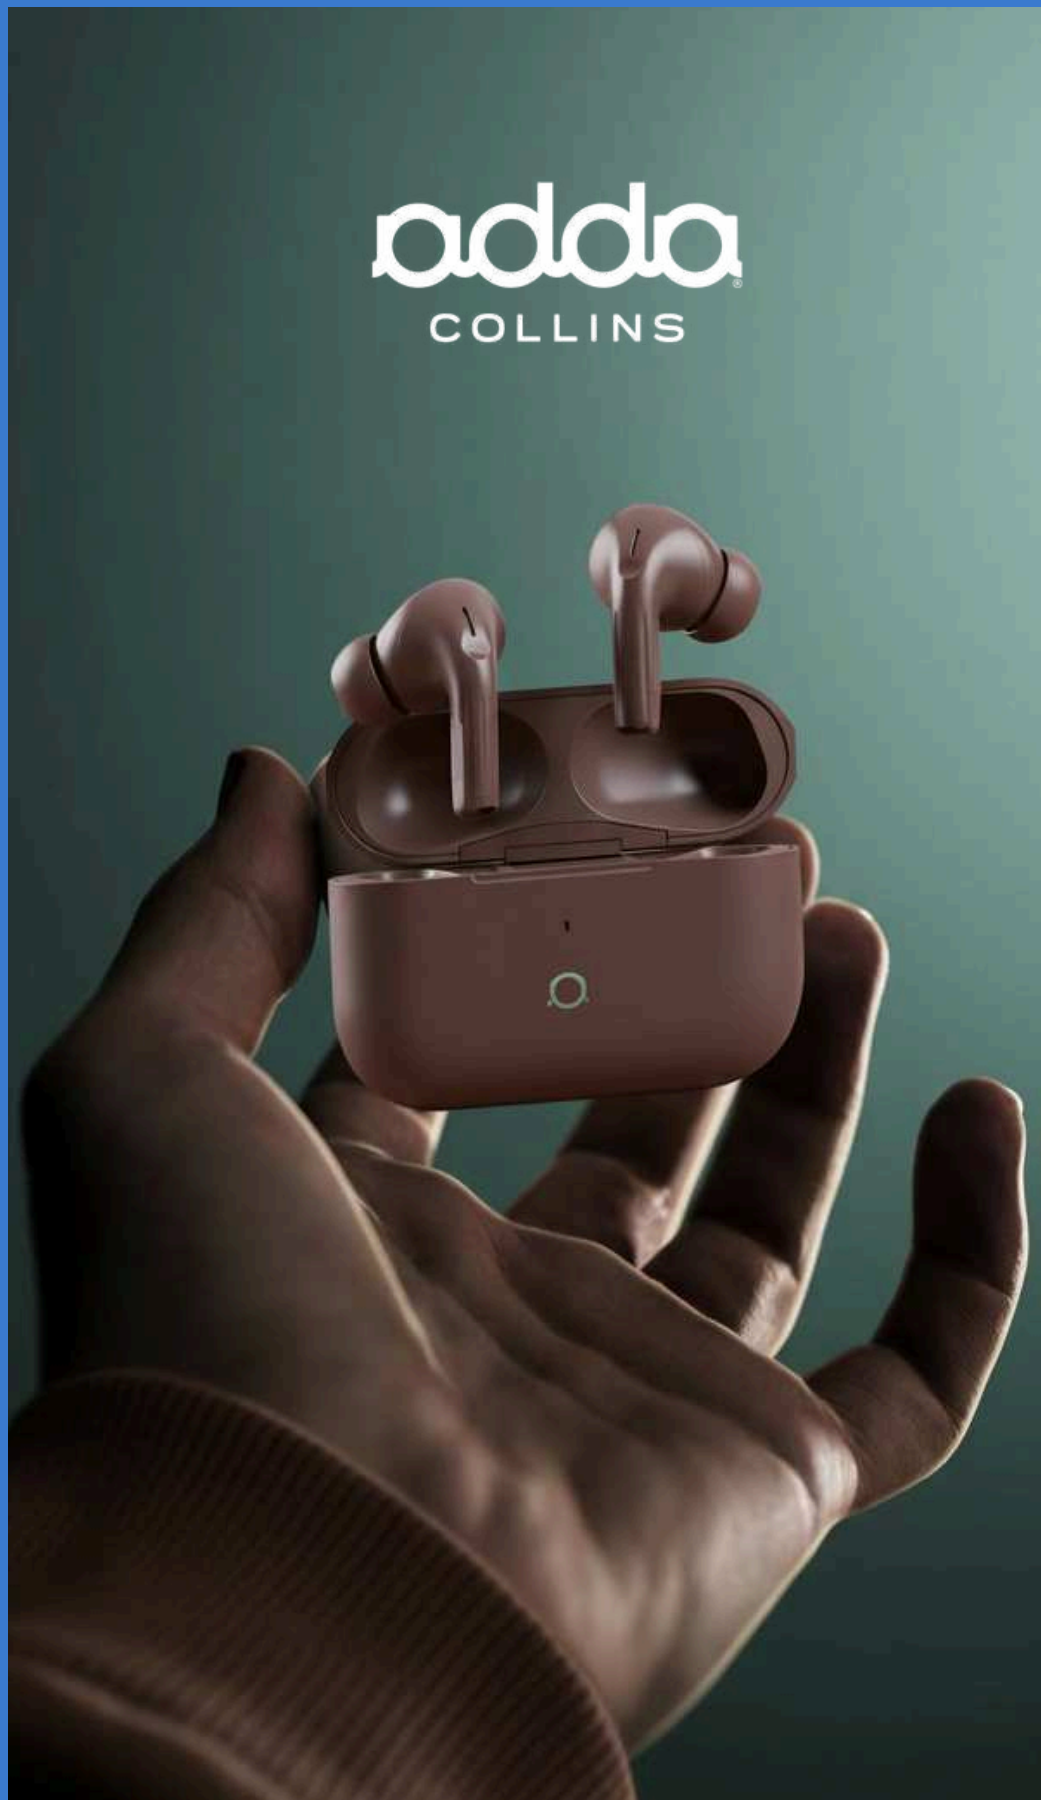

AGILE MARKETING AND VISIBILITY

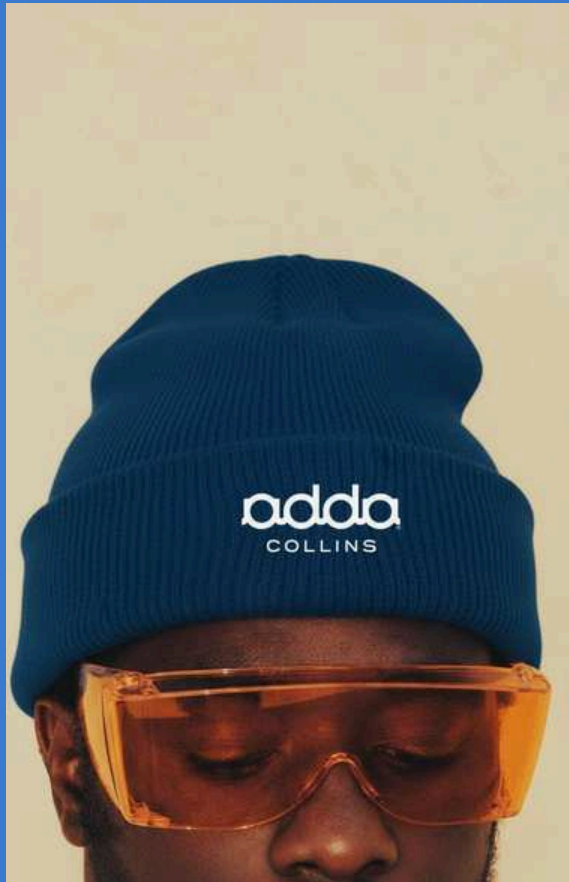

- Continuous social media presence with influencer and UGC content driving organic reach.
- Major annual campaigns (rebranding, colour launch) deliver extra buzz and market visibility.
