microSD Performance Plus

PERFORMANCE PLUS MICROSD FLASH MEMORY CARDS

Performance Plus microSD cards let you get the most out of your smartphones and table PCs to download and play music, games, video, and more.

Add more storage to your smartphone and enjoy more mobile content such as apps, e-books, video, music and movies.

Class 10 rated, Performance Plus microSD cards are ideal to transfer quickly and share your content while you're on the go.

Business users will be able to store more email, documents, and presentations for easy access when away from the office.

- + Available in storage capacity from 16GB to 128GB, microSD Performance Plus will store all your content
- + Certified Class 10, it guarantees a minimum Write Speed of 10MB/s
- + Compatible with most device equipped with microSD port including smartphones, tablets, surveillance camera and more
- + Magnet Proof, Shock Proof, Temperature Proof, Waterproof
- + Capacity : up to 128GB

microSD Elite

ELITE MICROSD FLASH MEMORY CARDS

PNY Elite microSD Cards are perfect for the latest smartphones, tablets, action cameras, drones and more.

Available in a wide range of capacities of 16GB-512GB, giving you more available space on your mobile device so you can enjoy more mobile content such as apps, eBooks, web video, music and movies.

With a read speed of up to 100MB/s and U1 technology, the Elite microSD cards are perfect for full HD video recording and HD photography, allowing you to capture high quality HD video and photos with your action camera, drone, or other mobile device.

PNY Elite microSD cards are Class 10/U1 speed rated, which guarantees fast transfer speeds so you can quickly transfer and share your content while you're on the go.

- + Read Speed: up to 100MB/s
- + Certified Class 10 UHS-I U1
- + V10 Video Speed Class for Full HD and HD videos*
- + A1 Application Performance Class 1*
- + Magnet Proof, Shock Proof, Temperature Proof, Waterproof
- + Capacity : up to 512GB

microSD Elite-X

CAPTURE THE ACTION. RELIVE THE MOMENT

The PNY Elite-X microSD card is rated Class 10, U3, which guarantees fast transfer speeds so you can quickly transfer and share your content while you're on the go. It is perfect for use with the latest smartphones, tablets, action cameras, 360° cameras, drones and more.

Rated A1 for better app performance on Android(tm) devices, PNY Elite-X allows users to run apps faster and directly from the microSD card, saving more space on smartphones.

PNY Elite-X also features V30 Video Speed Class, ideal for recording 4K Ultra HD content at higher resolution rate of 4096x3072(pix). Multi-File recording enabled to allow for saving/ streaming video from drones, 360° cameras and action cameras. Video capture modes that simultaneously capture high-quality still pictures.

- + A1 Application Performance allows for smartphones and tables to run apps much faster and directly from the microSD card, saving additional space on device's internal storage
- + V30 performance is ideal for 4K Ultra HD video recording at a resolution of 4096x3072 (pix) and 60/120 fps
- + U3 is ideal for high resolution pictures and digital content
- + Magnet Proof, Shock Proof, Temperature Proof, Waterproof
- + Capacity : up to 256GB

microSD PRO Elite

PRO ELITE MICROSD FLASH MEMORY CARDS

PNY PRO Elite microSD Cards are the peak of performance for smartphones, tablets, action cameras, drones, DSLRs, video cameras and more.

With a read speed of up to 100MB/s and write speed of up to 90MB/s, these cards deliver the speed you need to capture stunning video using the latest high-resolution standards, ready for today's 4K Ultra-HD devices. Experience memories that feel as real as the day you captured them. Enjoy more mobile content such as 4K videos, HD pictures, music, apps and more.

- + A1 Application Performance Class 1, A2 from 256GB
- + Magnet Proof, Shock Proof, Temperature Proof, Waterproof
- + Capacity : up to 1TB

SSD

CS900 SOLID STATE DRIVE

The PNY CS900 2.5-inch SATA-III (6 Gb/s) solid-state drive (SSD) is the mainstream performance line of PNY SSDs. It is an excellent choice for an upgrade from a hard disk drive (HDD). The PNY CS900 was designed to be an easy and cost-effective HDD replacement for your existing PC system, without having to sacrifice performance. Upgrading to the CS900 SSD will help you experience an overall performance boost. Boot up, power down, and load applications in seconds. With no moving parts, the PNY CS900 is highly durable and includes a 3-year limited warranty.*

The PNY CS900 is an excellent choice for energy efficiency and consumes significantly less power than hard drives. Users can benefit from lower power usage, longer battery life, and a cooler, quieter system. Spend more time enjoying your system and less time worrying about battery consumption. The CS900 lineup is available in a range of capacities from 120GB to 2TB.

The PNY CS900 is engineered with the same level of quality and durability that our consumers have enjoyed with the CS1311 SSDs. PNY's extensive testing and rigorous validation process ensures compatibility across various platforms and multiple operating systems.

APPLICATIONS

- + Mainstream SSD for PC upgrade
- + Cost effective HDD replacement for better overall performance

FEATURES AND BENEFITS

- + Sequential Read of up to 550MB/s and Write of up to 515MB/s
- + Faster boot up and quicker application launch
- + Better overall system performance
- + Reliable storage
- + Low power consumption, cool and quiet operations
- + Capacity : up to 2TB
